2025 THE OAKS

Dear Exhibitors,

We are thrilled to welcome you to the Oaks for the 2025 season! It's an honor to host these shows at a venue that means so much to our community. Whether you're here to compete, support, or spectate, we are so glad to have you join us.

Over the past few months, we've been working hard to make improvements to the facility to ensure we are able to provide a top class experience for our exhibitors. From new footing to enhanced spectator areas, we are committed to providing an exceptional environment for both horses and riders. This is just the beginning—there are more exciting developments in the works as we continue to invest in the future of the venue, ensuring that the Oaks remains a place where our community can come together and showcase the best in the sport.

This season, we are especially excited to host a number of prestigious USHJA events, including three WCHR weeks, International Derbies, Southwest Regional Pony Hunter Derby Championships, the Southwest Regional Green Incentive Championship, the Southwest Regional Hunter Derby Championships, and the USHJA 3'3 Jumper Seat Medal Final.

We're also pleased to announce we will be hosting one of your favorite classes, the Whitethorne Equitation Classic, as well as the CPHA Foundation Equitation Championships, Foxfield Medal Final and the PCHA 2'9 Jr/AM Medal Final later in the year.

As part of our commitment to providing world-class competition and opportunities for riders of all levels, we are thrilled to announce that we will be hosting an FEI event this summer, as well as an action packed National schedule each week of our shows.

Thank you for being here for our inaugural season and for supporting us in this new endeavor. We hope you enjoy all that we have to offer, and we look forward to seeing you soon.

Best of luck to all competitors, and thank you to everyone for being a part of our NEE family!

Warm regards,

Ali & Francie Nilforushan

WHAT IS URYADI'S VILLAGE?

Uryadi's Village is a village for orphaned and vulnerable children in Soddo Ethiopia, founded by Jennifer Fill-Crooks. The village is named in honor of SF Uryadi, Jennifer's long term partner in the Grand Prix ring, and is generously funded by the equestrian world. Uryadi's Village is a dynamic organization that recognizes the importance of holistic family style care for our children, a solid partnership with the local community, sustainable food and farming practices, and has a deeply heart felt focus on children who need specialized care.

Uryadi's Village has been recognized as one of the most impactful organizations in our region. The village is currently home to 99 children, and has gained the support of the local government who have asked us to expand our village so we can open our doors to more children who have nowhere else to go. We are still working towards completing this expansion, and your support would be a huge help in this endeavor.

**PLEASE JOIN OUR
GLOBAL VILLAGE**

**IT WILL CHANGE
YOUR LIFE TOO**

Uryadi's Village is a 501(c)3 Non-Profit (EIN #47-1129664) in the USA, as well as a registered charity in Canada (#820329167RR0001) and Ethiopia.

4. Horses may compete in either the 3' or 3'3" fence height and there is no restriction on the number of horses any one rider may compete.

Order of Go: Random – Computer Drawn with the 3' horses competing first

Format: Two Round Hunter Classic format; to be scored under the open numerical judging system. To be shown over a classic type course set at 3' and 3'3" in height. The top 12 horses will return to jump a second round in reverse order of their scores from Round One; 3'3" will return lowest score to highest then 3' will return lowest score to highest. In case of ties, order of those tied will be drawn. Scores will be averaged from both rounds to determine the overall placing. In case of a tie for first place only, the tied horses will jump a third round over a shortened course to break the tie. In all other ties, the prize money will be added and divided equally and riders will toss a coin for the ribbons. The Championship will not count towards a Show or USEF Championship, however horses will receive points – using the USEF "Hunter Classic" point structure-towards USEF HOTY Awards.

Attire/Awards: Formal Attire. Trophy to first, one set of Ribbons thru 12th place; prize money divided as follows: 30%, 22%, 13%, 8%, 6%, 5%, 4%, 3%, 3%, 2%, 2%, 2%.; Additional awards to be distributed based on 10% of the dues collected from the Incentive Program Enrollment Fees.

SPECIFICATIONS FOR CPHA FOUNDATION CHAMPIONSHIP

ELIGIBILITY: Trainers and riders must be members of CPHA prior to riding in any CPHA class. Previous winners of the CPHA Foundation Championship in each age-break are not eligible to compete again in the same age-break final. As they become age-eligible, they may compete in other age-breaks. An exhibitor may only compete in one age-break section of the Championships in a given year regardless of age eligibility.

QUALIFYING: 21-and-under riders must earn 6 points in CPHA Foundation qualifying classes since the previous final to qualify (points awarded 10,6,4,3,2). 14-and-under and 22-and-over need to compete in one qualifying class prior to the Championships, no points are needed to qualify.

FORMAT: Fences to be set at 3'3". Final consists of one warm-up class, two rounds for all competitors, and a work-of of the top four riders and any additional riders within three points of the leader.

WARM-UP CLASS: A non-judged warmup class with a posted course will be held at 3'3" for qualified riders entered in the finals. 3 refusals will be cause for elimination. Each rider may ride more than one horse in the designated warm-up class for the age-break section in which they are eligible.

SCHOOLING RULES: 30 minutes prior to the start of the class, riders may only school in the designated schooling area for this final. Any conflicts should be discussed with the TD prior to the start of the Round.

The schooling ring will follow USEF Jumper Schooling Rules but will also allow Swedish Oxers (max 12-inch difference), tarps, coolers, liverpools, fower boxes, and similar items. All schooling items must be present in the schooling area for anyone to use prior to the start of the class and remain until the end of the class. Jumps must be flagged and the flags may be changed.

ORDER OF GO: First round order of go will be drawn at an exhibitor party during the warm- up classes. Round 2 will be the reverse order of go from the first round.

SCORING: Two judges will sit together and use the open numerical system for scoring. At the completion of round 2, riders' scores will be averaged to calculate an overall score. All carryover scores from round 1 will be announced when the rider completes round 2. Judges will rank the work-of riders in order of preference and the scores will not be announced. This ranking determines the winner.

WORK-OFF: After the completion of round 2, the riders with the top four scores and any additional riders within three points of the leader will be required to work-of. The tests will be at the discretion of the judges. If there are six or more riders in the work-of, riders should remain outside the ring where they can walk, trot, or canter but may not do any additional schooling of jumps and may not receive any outside assistance.

COURSE: Fences to be set at 3'3". Championships consist of two advanced equitation courses with a minimum of two USEF Tests (choosing from 2,8,10,12,16,17,18,20), which are included in each course. For riders 21-and-under, a liverpool and a triple combination will be included in the course in at least one round. For riders 22-and-over, riders will not be asked to dismount, mount, or jump without stirrups. The judges and the Technical Delegate will confer with the course designer to approve the USEF Tests prior to the start of the course walk for each round. Judges must walk the course before the exhibitors.

Additional Clarifications on USEF Tests used in Round 1 and 2:

- The CPHA Foundation Championship Counter Lead Standard: The counter canter must be originated through a downward transition, shown at a designated marker, and executed through a complete corner or a change of direction.
- Modifies USEF 10: Changes of lead on a line demonstrated by a simple or flying change of lead must allow the rider to decide the type of change to perform.

AWARDS: Ribbons and awards will be given in the first and second rounds to tenth place. Top ten overall awards will be presented after work-of. Special awards will be given to the top three overall finishers.

Ties in round 1 and 2 will be broken by the call judge, who will be determined prior to the start of the class. In the event of an overall tie for riders not included in the work-of, the rider with the highest score in round 2 will receive the higher overall placing.

EQUIPMENT: Tack allowed per USEF EQ106.5a.1.2.3.

HORSE RESTRICTIONS: The same horse may not be ridden in different age groups. A rider must show the same horse through all phases of the competition. In the event of illness or injury of the horse, the rider may petition the Technical Delegate to ride a substitute horse. The substitution must be approved by an appeals committee consisting of the Technical Delegate, Show Steward, and the official show veterinarian (who has examined the horse and determined its unsuitability to continue).

PROTESTS: If a competitor or trainer wishes to discuss any part of the CPHA Foundation Championships with a judge or the course designer, the Technical Delegate or a Show Steward must also be present.

A protest must be made in writing within 30 minutes of the completion of the class to the Technical Delegate or a Show Steward. A committee consisting of the Technical Delegate, the Show Steward, and a representative of show management will be convened as soon as feasible to rule on the protest. This committee will be the sole arbiter of the protest and its decision will be final without further recourse of any kind.

PERPETUAL TROPHIES: Winners in each age-break will be presented with the following perpetual awards.

- 14-and-under: Hap Hansen Perpetual Trophy sponsored by the Van Sickle Family
- 21-and-under: Barbara Worth Oakford Perpetual Trophy sponsored by Hester Equestrian
- 22-and-over: Victor Hugo Vidal Perpetual Trophy sponsored by Betsy Woods.

I. Membership and Participation Requirements

- A. Riders, Owners and Trainers must be current Active members of USEF and USHJA before the start of the championship. (see GR202)
- B. Horses must be recorded with the Federation and registered with USHJA to participate in the championship.
- C. **Exception:** Foreign residents and horses and ponies in good standing with their National Federation are eligible to compete in this class but will not receive points unless they follow I.A. and I.B.
- D. The same horse may not compete in the USHJA National Hunter Derby Regional Championship and the International Hunter Derby at the same competition.
- E. Horses entered in this class are not required to show in any other classes at the horse show.
- F. Riders are limited to competing no more than four (4) horses in the championship, however, a competition may choose to further limit the number of horses a rider can compete to three (3) horses, as long as the competition notifies the USHJA sixty (60) days in advance of the date of the class and such limitation is printed in the prize list.
- G. In accordance with HU174.14 the same horse-and-rider combination must compete in both rounds of the National Hunter Derby Championship.
- H. Horses may not be cross entered in multiple sections of the National Hunter Derby Regional Championship.
- I. Attire: Refer to HU107 in the USEF Rule Book for current specifications.
- J. **Soundness – Horses are required to trot a circle on a loose rein at the end of the Classic Round. Horses may be asked to return to the ring and trot another circle at the judge’s discretion. Judges have the authority to disqualify a horse if deemed unsound. If a section is held over two days, horses are required to trot a circle on a loose rein at the end of both Classic and Handy Rounds. The hand jog is not required. Any unsoundness during the competition will be reflected in the scores from the judges (GRI033.6)**

II. Judging System

- A. Each section may have the option of having either one (1) or two (2) panels of judges. Each panel will consist of two (2) judges sitting together. One (1) judge on each panel must be a **USEF** “R” judge, the other judge on each panel may be either a **USEF** “R” or “r” judge. Each panel will provide one (1) score for each round. See “E” for calculating the Overall Score.
 - 1. All judges must be Federation licensed and in good standing with the Federation and USHJA.
 - 2. No guest cards will be granted for this competition.
 - 3. The judges will be hired by the host competition manager.
- B. No panel may award the same base score to any two (2) competitors in any one (1) round.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Two points per panel, four point maximum.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness, and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges’ base score. After the judges’ base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one (1) additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Two points per panel, four point maximum.)

- E. Overall Score - The final score from each round (3'0" with 3'5" options) will be combined to obtain the overall total for each horse

III. Tie Breaking Procedures

- F. No panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- G. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- H. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- I. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- J. Prior to the start of the class, if two (2) judging panels are used, one (1) panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

III. Schooling

- A. During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. Additionally, competition numbers should be designated a specific color or visible colored dots on standard show numbers, to better assist stewards in distinguishing National Hunter Derby Championship competitors. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

IV. Order of Go

- A. The order of go must be posted a minimum of three (3) hours prior to the start of the class. If the Regional Championship class is the first class of the day the order of go must be posted the day before, up to one (1) hour after the show office closes.
- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight (8) horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). Due to multiple rides or rider conflicts, any rider may elect to move up in the order. Should a jump-off occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.

V. Competition Format

- A. The USHJA National Hunter Derby Regional Championship will be composed two (2) rounds: Classic Hunter Style Round and Handy Hunter Round. If required, a Jump-off Round will be held.
